

Wentzville Holt Band Boosters

July 27, 2010

Dear Band Parents,

Welcome to the Wentzville Holt Band program! We are very excited for this new season. As a parent of a Wentzville Holt Band student you are also a member of the Wentzville Holt Booster Organization. This is one of the few opportunities, at the high school level, in which a parent can be directly involved with their children.

The involvement of parents in this organization is essential for the success of our program. We have many events on our calendar such as football games, competitions, concerts, etc., which require a little help from each one of us. The purpose of this Booster Organization is to support our kids and Mr. Cunningham and Mrs. Ramsay. It is a great way to show your kids you care about what they are involved in, as well as have a good time with other adults on the same mission.

This year we have a volunteer coordinator who will help to make sure that all our needs are covered as well as find everyone who wishes to help a position that works for them. On a day you are volunteering we will give you a nametag so the kids will know who you are, as well as the board.

The Band Boosters meet every second Tuesday of the month. Our next meeting is Tuesday Aug. 10 at 7 pm in the band room. We invite you all to attend. This is where you can be kept up to date of what the band is doing, the needs of the band and bring any concerns you may have. We encourage you to become an active part of what your children are doing and be involved in the wonderful organization of The Wentzville Holt Band.

If you have any questions or concerns please feel free to contact one of your board members.
