

WENTZVILLE HOLT  
BAND BOOSTERS

July 18, 2011

Dear Parents,

Welcome to the Wentzville Holt Band program! We are excited to have you as a member of the Holt Band Booster organization. This is one of very few opportunities, at the high school level, where parents can be directly involved with their children.

The Band Boosters' goal is to do whatever it takes to support our directors, Jim Cunningham and Maggie Ramsay, and our hard-working, talented children! Whether you can help occasionally or on a regular basis, we are sure that we can find a use somewhere in our program for your many talents.

The involvement of parent volunteers is absolutely essential for the success of our outstanding band program and our students. With the many events on our calendar - football games, marching festivals, concerts etc.- it takes the time and energy of a small army to accomplish everything. You will find this parent group works like a well-oiled machine, but please don't hesitate to jump right in. Many of us have been doing this for several years and we know it can look overwhelming in the beginning.

We encourage our parents to purchase a Band parent t-shirt that coordinates with the show. This makes it easy to recognize other Holt Band parents and show your support at the same time. Also at the competitions you are welcome to eat with the band for \$5.00 a day if purchased by the Thursday night prior. You will be given a nametag to wear the day of the competition to eat and we just ask that you let the kids eat first.

We encourage you to become an integral part of this support team, be involved with your student, and have a little FUN along the way! Someday your child will thank you!

Sincerely,  
Nancy Buell and Kathy Frkovic
